Mitchell E. Daniels, Jr., Governor
Karl B. Browning, Commissioner

FOR IMMEDIATE RELEASE

Feb. 13, 2008

Ramp and lanes at Borman/I-65 interchange closed during barrier wall repair

Restrictions scheduled for midnight to 5 a.m. Feb. 14

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the ramp from northbound I-65 to westbound I-80/94 (the Frank Borman Expressway) and the right and center lanes of northbound I-65 near the ramp will be closed from midnight to 5 a.m. Feb. 14 during barrier wall repair. This work is part of the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

During the ramp closure a posted detour will direct traffic I-65 traffic to take eastbound I-80/94 to the clover leaf ramps at State Road 51 (Ripley Street) to I-80/94 west. INDOT reminds drivers to use caution and consider worker safety when traveling through a highway construction zone.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
